

Working Together in South Lakes

The Adult Social Care Directorate's Working Together forum would like people aged 50+ to help influence future Social Care services.

Anyone, aged 50+ is welcome, be you in receipt of a service, perhaps caring for someone or simply a concerned citizen.

This is a real opportunity to hear about and help influence Council services. You do not have to be receiving a service to contribute.

The Working Together forum meets Two-monthly in Kendal. Next meeting is on 9th July 12: til 2:00 pm Stonecross Manor Hotel, Kendal

Lunch provided free of charge.

Whatever your background, we'd like to hear your views. Full Expenses are payable.

For more information, please contact: Brenda Shepherd (Management Secretary) at the Adult Social Care Directorate on 01539 773358 or email to

Or just come along on the day.
